MVHS Football Apparel Pre-Order

In order to offer apparel in a variety of sizes and options while keeping low overhead for the club, we are offering an apparel pre-order this season. The best way to ensure you get the items you want in the size you need is to pre-order. We will have rotating stock and game specific items for sale at the games.

Samples will be available during selected MVHS football events. Check your email and the QB Club website for updates.
